JUDGMENT

The very same issue was agitated in this court which ended up in Ext.P22 judgment. The prayer in that W.P. was to give a statement of balance liability which is seen furnished by Ext.P23. The present case of the petitioner is that payments made in 1976-77 were not given credit by the Department. I do not find any bonafides in the contention raised by the petitioner in the second round of litigation in this court. The W.P. is devoid of any merit and is dismissed.
